**Supplemental Information Disclosure Statement**

Sir:

This document is a Supplemental Information Disclosure Statement to the above-cited patent application.

Attached hereto is at least one Form PTO-1449 listing documents believed relevant to the subject application. The submission of the following information is not intended, nor should it be construed, to constitute an admission that any patent, article, or other information referred to herein is "prior art" unless specifically designated as such. In accordance with 37 C.F.R. § 1.97(b) the filing of this information shall not be construed to mean that a search has been made or that no other material information may exist. Neither should it submission be construed to indicate that a thorough search should not be conducted by the Examiner.

It is believed that this disclosure complies with the requirements of 37 C.F.R. § 1.56, § 1.97, and § 1.98 and the Manual of Patent Examining Procedures § 707.05(b). If for some reason the Examiner considers otherwise, it is respectfully requested that the undersigned be telephoned so that any deficiencies can be remedied.

This Supplemental Information Disclosure Statement is being submitted before the mailing of an Office Action on the merits on the above-identified application. Therefore, no fee is due for submission of this Supplemental Information Disclosure Statement, pursuant to 37 C.F.R. § 1.97(b)(3). If an Office Action on the merits has been mailed prior to the submission of this Information Disclosure Statement, authorization is hereby given to charge the required fee under 37 C.F.R. § 1.97(c) and 37 C.F.R. § 1.17(p) to Deposit Account No. 16-2230. A duplicate of this sheet is enclosed.

A copy of each document is enclosed. Some of the documents may have markings thereon. No significance is meant to be attached to the markings. These documents are not necessarily analogous art. Additionally, the order of the following documents is to be accorded no particular import as the order thereof is completely fortuitous.
